

**TREEHOUSE**

**Marketing Placement for Premier Online Store and MyATT Small Business**

## **Presenting Marketing placements created by our Treehouse Team**

In the past 6 months we have taken on the new AT&T Business Brand in creating the marquees, banners and other placements in both Premier Online Store and MyATT SMB.

This is just some of the placements we've created.

**The Treehouse Marketing Design Team:**

Chozy Aiyub

Zach Evetts

Emily Albuquerque

Steve Hess

### Push for more from your mobility network

Why AT&T Offers Communications Community Our network

#### Why choose AT&T?

As a leader in technology, media and telecommunications, we are uniquely positioned to transform your digital capabilities through edge-to-edge management in an entire ecosystem of technologies.

##### Effortless AT&T Enhanced Push-to-Talk

As a carrier with 30 years of experience with carrier-grade Enhanced Push-to-Talk (EPTT), we have the experience on the 4G LTE network that your business relies on, and we can offer optimized EPTT service in more than 300 million square miles across the U.S. with our award-winning Push-to-Talk service to make sure you have the support you need.

[Learn more](#)

##### Integrated solutions

AT&T Enterprise offers the EPTT that you need, plus Digital Edge Service (DES) that provides web-based dispatch and monitoring of EPTT with messaging, imaging and social networking. The result is a more efficient and functional mobile ecosystem for your business.

[Learn more](#)

#### Land Mobile Radio interoperability

AT&T Enhanced Push-to-Talk (EPTT) works with two-way Land Mobile Radio (LMR) systems, allowing your communications between the two.

[Learn more](#)

#### More AT&T Enhanced Push-to-Talk devices

With more than 50 devices certified across the most popular iOS, Android and Windows systems, and more than 100 carriers, we have the range of devices you need to get the most out of your EPTT service. We also offer a variety of accessories, including chargers and cases, to help you get the most out of your EPTT service.

[Learn more](#)

#### Take charge using a single app

Manage your mobile workforce from a single app. Make sure the work you need to get done is done, and the way you need it done.

[Learn more](#)

#### Your workforce made easy

Get your work done, wherever you are. With your work and mobile devices, you can get the most out of your EPTT service.

[Learn more](#)

#### Dynamic traffic management

Provide your business with real-time insights into your network's performance.
